***Narrative Report for Section 251 Funds for Federal Fiscal Year  
2004 (October 2003—September 2004)***

In preparations for the 2004 Federal Election Cycle, the State of Mississippi spent \$1,092 for the mailing of postcards to more than 37,200 unverified voters to inform them of the HAVA identification requirements. Section 303(b) of HAVA requires each state verify all mail-in voter applications with state databases. 37,204 mail-in voter registration applications did not match records with our state drivers' license bureau. As Mississippi does not have a voter identification requirement, it was important inform voters of the change to minimize confusion on Election Day.
